

## Patrick J. Everett Memorial Scholarship

This scholarship is granted to a graduating senior that has participated in athletics and plans to pursue a career in skilled trades. After graduating from high school in 1971, Pat attended a trade school in St. Louis, MO as well as earned multiple certifications from Kalamazoo Valley Community College. It was his passion for the trades and continuing education that led to a successful 33 year career as a machine repairman at General Motors before his retirement. Pat voluntarily built games and playground structures for Comstock Schools and his legacy will continue to build outstanding young men and women in our community. *The Patrick J. Everett Memorial Scholarship is funded by the Josh Whitfield Memorial Athletic Fund.*
